

2017-2018 JUNIOR VOLLEYBALL PROGRAMS

This program is offered at the following
SPORTIME locations:
BETHPAGE MULTI-SPORT
*KINGS PARK * LYNBROOK*

SPORTIME JUNIOR VOLLEYBALL CLINICS are designed for girls and boys interested in improving their volleyball skills in a fun, intense training environment. Each program challenges players with innovative drills that teach proper body position, skill technique and game strategy. Our expert coaches guide players and help them bring their games to the next level. This is a great program for boys and girls interested in playing for their school teams, club teams or preparing for college volleyball.

SPORTIME also offers great menu of summer programs including several weeks of camp, specialty position clinics, junior leagues and our brand new VBC Beach Volleyball program.

Please see the reverse side for program schedules and fees for all of our locations.

SPORTIME VBC

SPORTIME's travel club program trains girls, ages 12-18, to prepare them for local and regional competitions. Players practice for 20 weeks and participate in several tournaments throughout the club season.

VBC also offers developmental teams for boys and girls 7-11 years old. Players learn skills, play a limited tournament schedule and make new friends.

For more information, including SPORTIME locations that offer VBC, visit us online at:
