

SPORTIME Randall's Island Single's Ladder

To register, please complete both bottom and front of form

In a tennis ladder, players challenge each another to a singles match. As a player wins or loses, the player moves up or down in position on the ladder. The goal of the tennis ladder is to keep climbing to the top. Being a part of the ladder is also a great way to meet new players and have a lot of fun!

- The Ladder is open to all players and levels of play, but participants must be members of SPORTIME Randall's Island. Separate brackets may be established to accommodate different levels of play, as needed.
- The duration of the ladder season will be 17 weeks long, starting January 16. Start positions will be chosen randomly. Players can be added to the ladder at any point in the season, but will start at the bottom if they join after the launch date.
- Players can challenge up to 3 spots above them.
- Each match will be a 10-game pro set with a nine-point tie breaker at nine games all. Players receive one point for every game won. The more often you play, the more you move up.
- Matches can be scheduled up to two weeks in advance on any night from 9:30 to 11 pm.
- A new Ladder roster will be posted each week with player contact information and updated rankings.
- In order to schedule a Ladder match, a challenger should contact a potential opponent, call the Club to schedule the day and time, and notify Adult Tennis Director Andre Dupre of the scheduled match. Andre must be notified prior to the match, in order for it to be considered a Ladder match. He may be reached at ATKRI@SportimeNY.com or 212.427.5650.
- Players play at least once a week, but may play as frequently as they choose to.
- Players must report the score to the front desk after every match played.
- SPORTIME will provide one free can of balls per match played.
- The match fee of \$90 will be paid at the time of the match. Matches must be cancelled with both the Club and the scheduled opponent 48 hours in advance. A member who fails to cancel in time or to show up for a scheduled match must pay the \$45 fee for both players. If both players fail to show without notifying the Club, they will each be charged \$45. No-shows by a participant will result in their removal from the Ladder.
