

JUNIOR MEMBERS WALK ON FREE AT SPORTIME COURTS!

IF YOU'RE A JUNIOR MEMBER AT SPORTIME, YOU GET FREE WALK-ON COURT TIME AT SPORTIME!

So, get together with other junior players and walk on to open court time at no cost. Or, get your Dad or your Mom to come hit with you. Junior walk-on time is always free for adult members with their junior members.

For adult non-members, walk-on time is free when they play with their member children who are ten and under. Non-member adults pay the member rate for half the court when playing with their junior members, aged 11 and up.

WHAT A DEAL!!!

Simply stop by the desk when you come in to the club to find out if there are any open courts you can use, and walk on or follow the instructions to the right to see what is available online.

Our website is live with current court availability, so you can quickly see how many and which courts are open! Then, a half-hour before the court time you wish to utilize, you can call the club to reserve the court. Remember, members always play free with their children during Junior Walk-On court time, as do non-member parent of children up to the age of 10.
