

SUMMER CAMP

BOYS AGES 9-17

**Ask About Our
Junior Summer
Volleyball Leagues!**

SPORTIME's VBC Boys Summer Volleyball Camp is specifically designed for players, ages 7-17, who want to raise their games to the next level, as they prepare for their middle school, high school or club volleyball seasons. Our expert coaching staff guides players through intense days of circuit training, speed and agility training, team drills and game play.

Coaches teach proper fundamentals of passing, setting, attacking, serving, and defense, as well as proper court positioning and team strategy. By utilizing our 8 training courts, campers are ensured to train and play with other players at their own skill level.

This summer, we are excited to offer a NEW Pre-Season Volleyball Conditioning Camp. Athletes participate in a comprehensive week-long program that includes stretching, plyometrics, strength, speed and agility exercises. Camp activities take place on the volleyball court and in our new VBC Functional Training Center.

SUMMER VOLLEYBALL POSITION CAMPS

SPORTIME is offering several special "Position Camps" during the summer of 2015. Players spend 3 hours working on the skills required to be successful at their specific positions.

Coaches divide players into groups of outside and right side hitters, middle blockers, setters and liberos. Each session includes two hours of intense drills followed by one hour of game play.
