

SPORTIME AMAGANSETT JUNIOR TENNIS PROGRAMS 2018

SPORTIME U10 | JUNIOR TENNIS KINETICS | JOHN McENROE TENNIS ACADEMY

SPORTIME offers the finest tennis programming for young players, supervised by a world-class staff of experienced tennis coaches, all at the most beautiful facility in the Hamptons. Our summer programs challenge and progress our students, while enhancing fitness and confidence and providing positive social interaction. Check out SPORTIME's unique, cutting-edge tennis programs!

SPORTIME U10 (Ages 5-9)

SPORTIME's U10 guides our youngest, newest players through clearly defined stages of development that follow a progression of court sizes, ball types (red, orange, green) and net heights, making it possible for kids to actually play tennis from the moment they step on the court. SPORTIME's U10 Tennis combines the best principles of child learning with world-class tennis instruction to create a truly innovative and engaging program. Our "gamification" approach — players go on missions, acquire skills, collect points and achieve milestones — is a part of SPORTIME's fun and challenging environment, where our kids are encouraged to take risks, to use their intellect and to find solutions. If you think all U10 programs are alike, they are not. Get your child into the game at SPORTIME!

John McEnroe Tennis Academy (JMTA) Summer Tennis Training camp (Ages 10 - 17)

At JMTA, we train 52 weeks a year. Our intensive JMTA Summer Training Camp at SPORTIME Amagansett, the Hamptons' summer home of JMTA, is designed for players competing in, or striving to compete in, USTA Sectional, USTA National and ITF tournaments, those interested in playing high-school tennis, college tennis and beyond, as well as players, at any level, who simply want to be the best they can be! The JMTA Training Camp curriculum features a combination of drills, technical coaching, match play, off-court athletic and cross-training, and mental toughness training, specifically tailored to the ages and levels of each JMTA player group. Our world-class JMTA tennis and performance directors and coaches carefully evaluate students, place them in age and level appropriate groups, and customize programs to meet their developmental needs.

Junior Tennis Kinetics (Ages 9 and up)

SPORTIME's Junior Tennis Kinetics is dedicated to meeting the instructional and recreational needs of our junior players in a positive and dynamic environment. JTK aims to develop the whole player - physically, mentally, tactically and technically. Within a structured framework of goals and competencies, SPORTIME'S JTK approaches learning flexibly to meet the needs of the individual student. JTK students master key fundamentals, including movement, balance, agility and rally skills, which provide the foundation for them to become complete players. SPORTIME's coaching philosophy is designed to help our students learn how to play the game (the tactical) and to give them the means to execute those tactics (the technical). Our tactical games are designed so that students get to perfect and practice winning tactics in "live ball" point situations in each JTK session. Keep your child progressing and loving the game at SPORTIME!
