SPORTIME's trademarked Junior Tennis Kinetics (JTK) curriculum teaches students how, why and when to hit every stroke in the game. Students hit hundreds of balls each day to establish muscle memory and to develop proper technique. Games and match play are also included.

Our younger campers enjoy **10 and Under Tennis**, the USTA endorsed program designed to accelerate learning and to reduce frustration. We use low-compression balls, kid-sized courts and equipment, and modified scoring, all tailored to age and size. **10 and Under Tennis** is a fast and fun way to get kids into tennis and to keep them playing!
