## SPORTIME U10 Camp Ages 3-7

This full or half-day camp is designed to allow our youngest campers to play, learn and succeed from their very first day of tennis. Campers will also spend 30-45 minutes each day participating in soccer, t-ball, kickball and other fun sports that keep each day fresh and exciting!

### SPORTIME U10 Tennis Philosophy

SPORTIME's Under Ten "U10" Pathway aims to develop the whole player, athletically, mentally, tactically and technically from the first lesson. In the SPORTIME U10 Pathway, players work through clearly defined stages of development that follow an internationally accepted progression of court sizes (red 36', orange 60', green/yellow 78'), ball types (red, orange, green, yellow) and net heights that make it possible for kids to actually play tennis from the moment they step onto the court.

SPORTIME U10 Tennis combines the best principles of child learning with world-class tennis instruction to create a truly innovative and engaging program. Our red and orange players don't just take lessons, they get sent on missions, acquire skills, collect points and achieve milestones.

SPORTIME's "gamification" approach makes learning fun and challenging, and encourages our players to take risks, to use their intellects and to problem solve. If you think all U10 Tennis programs are alike, they are not. Get your child into the game at SPORTIME!

## Tennis Camp Ages 8-15

SPORTIME's Tennis camp is specially designed for youngsters who want to focus their camp days on playing and learning tennis.
