

Welcome! We are so glad you are joining us at camp this summer!

We will be providing each camper with a SPORTIME Summer Camp T-shirt and Camp Tote Bag. Please check your child's tote bag for daily information regarding upcoming camp events.

What to Bring to Camp

The following is a list of items that we request your child bring to camp every day. Please label all items:

- Wear sneakers and comfortable clothing (preschoolers should wear their swimsuit under their clothing when they come to camp)
- Swimsuit and Towel (preschoolers should also have a change of dry clothing)
- Swim Goggles (if your child has sensitive eyes)
- Sunscreen (if you signed the Sunscreen Permission disclaimer)
- Insect Repellent (if you signed the Insect Repellent disclaimer)
- Bagged lunch with your child's name on it
- Visor or cap
- Sunglasses
- Tennis racquet – Preschoolers and campers in our multi-sport camp do not need to have their own racquets, which often get lost during the busy day. We are happy to loan racquets. Campers in the full-day tennis camp should bring their own racquets daily (please label racquets and bags). If your child needs a tennis racquet, and you'd like to order one, we can recommend and provide a racquet quickly.

Additional Camp Information

- **Drop off:** Time for drop-off is between 8:45 am and 9:05 am. Parents/guardians must come into the club with their children. We do not permit drop-off from the parking lot.
- **Lunch, Beverages and Snacks:** We will be providing campers with healthy snacks and drinks throughout the day. Feel free to pack any additional snacks/beverages along with your child's lunch if he/she has specific preferences or needs.
- **Medications / Food Restrictions:** If your child has food restrictions/allergies, you must provide us with written notification of such restrictions and/or allergies. If your child may or will be required to take any medication during the camp day (e.g. Epi-pen, inhaler, etc.) you must provide any such medication in clearly labeled packing, along with a note from his/her pediatrician listing such medications, dosages and, as applicable, other usage instructions. SPORTIME will store such medication securely, and no medication of any kind may be in the possession of any camper.
- **Electronic devices (smart phone, tablet, etc.):** It's best to leave phones and tablets and electronic games at home, to prevent loss or damage. However, if it is necessary for your child to have these items at camp, they must remain in the his/her bag during the camp day. SPORTIME will NOT be responsible for any such item lost, stolen or damaged.
- **Camper Pick-up:** Children are released to parents/guardians inside the building, not in the parking lot. Please come in to collect your children. If someone other than a parent will be picking up your child, please send a note letting us know the name and relationship of that person to your child or to you. *Photo identification will be required for release of a child to anyone other than a parent or legal guardian.* If you plan to pick up your child early, please send a note or call to let us know the date and time so we can have your child ready for early dismissal.

See you at Camp!
