

# Afternoon Electives

Multi-Sport Campers have the option of focusing on a specific sport or activity each afternoon. Afternoon electives are from 1:30pm-3:00pm, and campers receive coaching and instruction in the sport or activity that they are most passionate about.

Our **Games & Pool** option is for campers who prefer a more relaxed, diverse program of games and another swim in the pool. Our **Farming** elective gives campers an opportunity to learn about organic farming and get their hands dirty while planting and harvesting vegetables at our camp farm. Our **Arts & Crafts** option allows campers to explore their creative and artistic side. Our **Beach** elective is for campers between the ages of 7-13 who are deemed proficient swimmers by our Aquatics Director. Swimming evaluations are given in the pool on the first day of camp.
