### Red and Orange Ball Tennis and Sports Camp Ages 5-10

Our ten and under "U10" Red and Orange Ball Tennis and Sports Summer Camp offers young athletes high-quality, professional tennis and sports instruction. In the SPORTIME U10 Tennis Pathway, campers work through clearly defined stages of development that follow an internationally accepted progression of court sizes (red 36'; orange 60') ball types (red, orange) and net heights that make it possible for kids to actually play tennis from the moment they step onto the court. With our fun and unique "gamification" approach, players don't just take lessons, they get sent on missions, acquire skills, collect points and achieve milestones.

Campers also enjoy instruction and competition in a variety of team sports activities including basketball, soccer, kickball, flag football, softball and others, and receive age-appropriate, off-court athletic training for tennis. And, they get to cool off using our popular slip 'n' slide water feature!

## SPORTIME Summer Tennis and Sports Camps

It is our belief that in order for children to learn and prosper, they must be placed in an environment that is safe, fun and challenging. Our SPORTIME summer camp programs challenge campers' abilities, while enhancing their self-esteem and providing positive social interaction.

## SPORTIME Randall's Island, home of the John McEnroe Tennis Academy

Our 160,000 square foot, state-of-the-art site features 10 championship hard (Deco-Turf) and 10 soft (Har-Tru) courts, a high-performance training center, classrooms, cafe and many other facilities and amenities. ## Additional Features and Important Camp Information

**Video Analysis:** Supervising coaches take tennis videos of all U10 students in action using video analysis software, which provide immediate visual and verbal feedback. The videos are further analyzed, using the software's annotation tools and voiceover capacity, to highlight and explain the video capture, and are shared with parents and coaches.

**Mission Cards:** Students enrolled for five or more weeks of camp receive U10 Tennis Mission Cards at the end of their U10 camp experience. The Mission Cards include tennis-specific assessments, specify strengths and weaknesses, and identify student progress in the context of the U10 pathway. For year-round SPORTIME U10 students, existing mission cards are updated.

**Camp Events:** Campers enjoy a wide variety of special camp theme days that include t-shirt tie-dye, favorite superhero, team jersey day and more.

**Safety:** To ensure your child's safety, all activities are supervised by certified Tennis Professionals and Counselors trained in CPR. We are totally committed to providing a safe, wholesome environment for your child.

**Lunch:** For an additional daily fee, camper/players are provided with a fresh, healthy lunch. Snacks and drinks are included as part of tuition.

**Transportation:** For an additional fee, door-to-door transportation or transportation service from centralized pick-up locations in Manhattan are available.

**Camp is on - Rain or Shine:** Neither rain nor sleet nor snow cancels U10 Camp! We use our five indoor courts, our high-performance training center, our classrooms and our other indoor facilities to provide a modified daily camp schedule in inclement weather.
