Mac Red & Orange Ball Camp Ages 5-10 (9am - 4pm)

Our Mac Red and Orange Ball Tennis and Sports Summer Camp offers young athletes high-quality, professional tennis and sports instruction.

In the SPORTIME/JMTA Tennis Pathway, campers work through clearly defined stages of development that follow an internationally accepted progression of court sizes (red 36', orange 60') ball types (red, orange) and net heights that make it possible for kids to actually play tennis from the moment they step onto the court. With our fun and unique "gamification" approach, players don't just take lessons, they get sent on missions, acquire skills, collect points and achieve milestones.

Campers also enjoy instruction and competition in a variety of team sports activities, including basketball, soccer, kickball, flag football, softball and others, and receive age-appropriate, off-court athletic training for tennis. And, they get to cool off using our popular slip 'n' slide water feature!
