THE ARENA

Located in Terry King Park and open year-round, SPORTIME Amagansett Multi-Sport Arena features an air-conditioned, regulation-sized indoor roller-hockey rink (measuring 200 feet long by 85 feet wide) that can be configured for a wide variety of sports, including three full basketball courts or three competition volleyball courts. Motorized divider curtains allow the rink to sub-divide to accommodate small-group training and team practices. The Arena also offers four private, secure team locker rooms, modern, immaculate women's and men's bathrooms and a full-service café.

Ideal for youth and adult roller hockey, basketball, volleyball, soccer and lacrosse, our facility can also be used for indoor baseball training, flag football, inline skating, birthday parties, special events and more. Leagues, clinics, tournaments and open play are available throughout the year.

YOUTH MULTI-SPORT CLASSES

At SPORTIME, our goal is to teach, coach and mentor children in a learning environment that promotes success through fun, structured sports activities. Professional teachers and coaches implement our unique sports curriculum, which includes group warm-ups, sport-specific drills and game play. Sportsmanship, commitment and team work are stressed in all of our programs!

FLAG FOOTBALL (AGES 6-12)

Young athletes learn how to throw and catch passes, take hand-offs, run passing patterns and play defense.

INLINE SKATING (AGES 4-9)

Introductory classes are designed to teach children the fundamentals of inline skating including forward, backward, and crossover movements. These classes help out youngest skaters to gain confidence on their wheels!

ROLLER HOCKEY (AGES 6-11)

BASEBALL (AGES 6-12)

Players learn, practice and fine-tune the fundamentals of fielding, throwing, batting and base running.

DODGEBALL (AGES 8-12)

A popular, energetic class that stresses the importance of teamwork!

SOCER (AGES 5-12)

Our unique curriculum provides the building blocks for soccer success, using drills and supervised game-play to teach dribbling, passing, trapping, shooting, defense and team strategy.

LACROSSE (AGES 6-12)

An ideal clinic for beginners who want to learn the game or for intermediate players looking to improve their passing and throwing stick skills.

BASKETBALL (AGES 7-12)

Beginner and intermediate ball-players improve and have fun, through drills and game-play that stress the basic skills of ball handling, passing, shooting, and defense. The rules of the game are taught as are basic strategy and team work.

MULTI-SPORT (AGES 4-6)

Classes include sport-specific warm-ups, skill introduction, practice drills and realistic game play. Sports include soccer, t-ball, dek hockey, basketball and a variety of other games that help improve hand-eye and foot co-ordination.
