SPORTIME VBC Beach Programs

SPORTIME VBC Beach provides young players with unique training methods, enthusiastic coaches and a diverse array of beach volleyball programs, at multiple playing locations on Long Island. In addition to our beach volleyball programs, we also offer players excellent indoor training opportunities at SPORTIME facilities in Bethpage, Lynbrook and Kings Park.

VBC Beach Club: Boys and Girls - Ages 11-18

Our Beach Club program is open to boys and girls ages 11-18, who are interested in learning competitive beach volleyball doubles, through training and weekend competitions. VBC Beach players register with a partner and participate in weekly training to prepare them for 3-4 age-appropriate doubles competitions on Long Island. VBC Beach Club players also participate in weekly indoor training at SPORTIME Bethpage Multi-Sport to ensure that they continue to improve all aspects of their indoor game in preparation for their school, club or college seasons. All Beach Club players receive an apparel package that may include a tournament jersey, beach towel, tank top, pullover and backpack.

*Boys program does not include tournament fees. Teams must register on their own based on availability.

VBC Beach Clinics: Boys and Girls Ages 6-16

This great summer program is designed for young players interested in learning how to play beach volleyball as well as indoor players who would like to learn the beach game. Boys and girls learn fundamental skills and participate in fun and challenging game play on our beautiful Long Island beaches.

*For a small additional fee, players may add 8 weeks of indoor training on Mondays or Wednesdays at SPORTIME Bethpage Multi-Sport. Indoor training is designed to help players continue to learn and practice in preparation for their Middle School or High School seasons.

Junior Beach Volleyball Leagues: Boys and Girls Ages 11-18

Players interested in weekly organized competition can now participate in our new Junior Beach Volleyball Leagues. Using a 4 v 4 format, boys and girls play weekly matches in a round robin format and conclude the summer with our Junior League Championships.

VBC Training Staff

All VBC coaches work together to implement our unique and successful training methods to maximize each players' performance and more importantly, their love of the game!

SPORTIME VBC Beach Locations

Point Lookout

NEW VBC Beach Training Center at Point Lookout Beach: Conveniently located directly over the Loop Parkway, this new venue provides players and parents with ample parking, 10-12 brand new beach volleyball courts and support facilities, all within walking distance to the ocean.

Seaman's Neck Park

Located in Seaford, Seaman's Neck Park offers two beautiful beach volleyball courts, perfect for junior training and league play.

Bar Beach

Also known as North Hempstead Beach Park, this location provides a wonderful venue on the North Shore for young players to learn and enjoy beach volleyball. Bar Beach offers ample parking and plenty of great viewing for parents and guests.
