About the JMTA College Recruiting Combine:

120 high-school scholar/athletes, 60 girls and 60 boys from around the US, as well as from international destinations, will showcase their talents for Division I, II and III coaches from top college conferences including the Ivy League, the ACC, the Big East, the SEC, the Big 10, the Patriot League, and the NESCAC, in the hopes of receiving a college scholarship.

Over two days, prospects will compete in match play and will receive detailed athletic performance and mental toughness assessments.

Covered by Digital, Print and On-Air Press:

The Combine has been and will continue to be widely covered on social media, including on Facebook, Twitter and Instagram, and in other printed and online media. It will also be captured on film, in conjunction with a piece on **A Day in the Life of The John McEnroe Tennis Academy**, and will be packaged into a 30 minute TV show that will air on TV networks including Fox College Sports, Comcast Sports Network, Time Warner Sports National, Sky Sports UK, Sky Sports International and TV Moda SKY - Europe, Russia and the Middle East, covering over 125 million households.

Each Network will air the show at least twice starting in July and the show is projected to get over 8 million total viewers. **One 30 second spot, to be aired whenever the show is aired, is included in the MAC Gold Sponsorship Package*.**

In addition to the extensive exposure outlined above, interested vendors will have the opportunity to promote and sell their products and services on-site at the Combine by purchasing kiosk/event space for the weekend at all 3 Tier Sponsorship Levels.
